This alignment prayer is for the purpose of creating a powerful personal and group shield whilst conducting Spiritual Work. Feel free to use this process to entrain your Central Nervous System and that of your group or clients. Entrainment takes 21 days to set in if done daily. If this process is not done daily at least 3 months of this set-up will have entrained your space and CNS.

As a healer, therapist, teacher or ascension wayshower it is vital you create a safe space for yourself and clients. Feel free to use this script and share it. Please however acknowledge the source. GodMuStay. (I see our Good God in you and invite your Good God Self to Awaken and Stay.) Please note that the shortened emergency situation version is at the end of this document.

Firstly conduct the 12th dimensional Platinum Shield Building Technique, or your preferred method of self-protection for yourself or your group before proceeding.
<https://www.youtube.com/watch?v=XhuLXYLhz-c>

Once you have completed the shield building technique, take a deep breath in relaxing as you exhale slowly and now may I ask you to please leave behind your stress, anxiety, guilt, sorrow, what-if's and fears about the future, including all expectations and step into the Eternal Power and Heavenly Presence of our Holy Mother, Holy Father and Holy Christ who embody the Original Permanent God-Seed Atom and Crystal Egg of Living Love and Living Light and allow the Living Quintessence and presence of the Holiest and most Divine energy to deliver all tools now required to fully and completely authentically ascend and deliver what we least expect in positive, empowering and perfected ways.

We now invite this Holiest of Holies Quintessence to saturate our entire being, inside and out now.

We invite our Fully Realized Good God-Self to awaken fully from within us AND SIMULTANEOUSLY fully embody our Avatar Living Christ-All (Krystal) Template.

State: My/Our declaration of intention is to serve my/our Source. I/We commit to serve my/our highest power, fully completely and totally.

Claim your Sacred Space by affirming:

**"I AM GOD, I AM SOVEREIGN, I AM FREE!
 I AM VICTORIOUS, I AM HOLY, I AM THE
 DIVINE CHILD OF OUR GOOD GOD, THE LIVING
 RA, MADE MANIFEST!"**

If you are working with a group, change everything to “we,” and if you are working alone keep everything as “I”.

Feel the presence of your energy and as you say the above declaration feel the conviction of your inner spirit to protect and listen to your heart.

Our group unified mission is to serve that which is dedicated to the purposes of the [God Sovereign Free Krystal Star Host](#). I command this space as sanctified and blessed in the authority of the Eternal Light of our Good God, the Heart of our True Christ and the Wisdom of our Mother Arc. Please reveal the Truth in Loving Compassion to all beings' Divine presence. We choose to see, hear and feel transparent truth inside and beyond any and all.

Equipment, Device and Space Clearing:

Holy Mother, Holy Father and Holy Christ please run the Living Christ-all (Krystal) Radiating Star Algorithms through all computers, devices, crystals, jewellery and all objects being used by ALL participating in this event and for this event, known of and unknown of, including all scalar wave technology and other technology in our midst, known of and unknown of consecrating and dedicating all of this to serving our Good God's Mission, and our Good God's Law of One mission alone. We are fully aware that this is inclusive of our spiritual journey and Divine Mission.

(To consecrate and dedicate your own body and work to God's work): Holy Mother, Holy Father and Divine Child please run the Christ-All Star algorithms through all realms of my body and being consecrating and dedicating all that I do, say, think, intuit, sense, feel, remote view, transmit and act on, as well as my website, business/es, and all projects, past, present and future to the dedicated service of manifesting our Living Law of One Divine Service Mission and Good God's Divine Plan on Earth.

From within your 12 D Shield, create the Hub Handshake with Unity Vow. “The Defenders of Truth, Sovereignty and Liberation, the Guardian Families, Serving the One: From across all the multiverses I/we call upon my/our Guardian families to join me/us now. My/Our unification is demonstrated in the waves of Omni Love – I/We sound my/out heart tone to you now. My/Our energy template updated, renewed and forever perpetuated in the Eternally Sustained Light.

My/Our Alchemical Container is consecrated and dedicated to the Purposes of One, and I/we endeavor to be the Knower of God to then be the Way Shower of our Good God. Please sustain me/us in the Eternal Power of my/our Consecration. I/We have asked for Gatekeeping in order to hold my/our mission, my/our mutual highest purposes in Service to the One Light, Our Source, The Living Light Code. My/Our intention is Unification - The Cosmic Christ Principle - as an Energetic Reality, here and now.

I/We request the handshake to fortify my/our spiritual links through the Universal Cosmic Triad, and into The Core of One, the Zero Point God Matrix, that which is the source of my genesis. With deep reverence for all of Life, Dear Good God, Breathe your Living Life Codes

into my/our created form. I/We set my/our intention now to remember that which I /we AM/ARE, fully completely and totally.

I/We state my/our mutual purpose as One, please resurrect all inorganic patterns to organic Living Light Now. And to that I/We Say, Thank God I/We AM/ARE the Living Eternal Light. And so it is lovingly decreed.”

For those new to the “Unity Vow”, repeat this command with every session to entrain your field and create the handshake hub of direct communication with Unity intelligence of the Krystal Star. When feeling the need to strengthen or amplify session communication links, repeat this Unity Vow. When proficient with regular energy session work, and by holding down the field, the Unity Vow is entrained with your nervous system, by saying “Unity”. This statement of intention will sufficiently activate the handshake hub to Krystal Star.” – Lisa Renee www.energeticsynthesis.com

In our Good God's Loving Living Love we Unite as One. Please seal and end our communication TRANSIT portal. Thank you God, Thank you God. Thank you God!

In some cases we are required to transit out of embodiment Imposter Spirits. Please read the below carefully so that you understand what we're addressing.

Resign From Mind Control Program

First, make sure you are in your [12D Shield](#), secure your [Hub Handshake](#) and boundary test with [GSF](#) triad. Open a field in the name of God, call upon any of your trusted guides or beings that you love, and then say:

Please track for any Mind Control booby traps, thought forms, beings or phase disrupters, programs or Alien Machinery that is interfering with my free will of spiritual expression and self-determination. I claim the sovereign right in liberation for myself through this timeline or through any timeline or time zone.

In the Light of our Good God and Love of Christ, I dissolve and clear any and all manipulation, enslavement or interference between myself and any person, place or thing, being, human or non-human.

"Be alert for 'disease' booby trap. When you reach any level of expansion or liberation, there may be a mind-control programming that is accessing the body's belief that it must grow the tumor or get the candida going, or whatever the physical issue is. This is a false and erroneous programming that you can terminate."

Remove, clear and terminate me from any involvement, attachment or entanglement now.

Clearly stated: I AND MY BLOODLINE PAST, PRESENT AND FUTURE RESIGN from any and all involvement in this Mind Control Matrix. I and MY BLOODLINE PAST, PRESENT AND FUTURE resolve and resign from this War Game, fully and completely. I and MY BLOODLINE PAST, PRESENT AND FUTURE are free from any entanglement, attachment, or disturbance, now and forever. My authority is taken as the Living Christ in our Good God's authority. I command this space as sacred in the name of our Good God and consecrated to the service of the One Source Light in Christ name.

"Now additionally, another part of this is, sometimes you will find there is an entity or there is a spirit involved in this "game." Dark energies of psychic attack, anything that is inter-dimensional that you may identify, whether vague or seen clearly – many of these entities are enslaved in the structure that believe in enemy patterns in order to attack you. So they actually have gotten orders from 'higher-ups' to track and harass you. So what you need to do is read them their God-given right and release them from their enslavement. This is a completely different take on psychic attack, isn't it?"

Understand that in your God-power, the right given to you as a sovereign being is to also free beings that are attached to you, harassing you, or a part of the game of that harassment. So what you are saying is, 'I'm not taking this illusion; I'm reading them their rights.' That spirit believes that it's got to do what it's got to do – it's been programmed and designed to attack you or fear you. So if you have a psychic attack, a spirit attack, or an entity attack, or something strange showing up - do not fear! Understand that this being may need your neutral support and help to heal and to rehabilitate. So again, read the spirit its God-given rights.

Reading Imposter Spirit its Rights

All spirits involved in the game are claimed in their God-given right: You have the right to self determine. You have the right to your own sanity and to choose wholeness. You have the right to leave this war matrix and end this game. You have a right to choose and you are free in God's Light.

Ask them what they choose. You have two choices:

1. Choose to merge back into God's Light, (which you can hold the field for them and send them there) or
2. Choose to be sent back into your own time-space continuum."If they are not willing to leave or take one of these choices, say:

Sovereign freedom, consecrated to God Source with all intention, now is chosen. (3 times)

Thank you God, please anchor, lock and seal and end our communication link. And so it is.

I SERVE THE LAW OF ONE AND I AM THE COSMIC SOVEREIGN LAW MADE MANIFEST !

I wish to thank Lisa Renee of www.energeticsynthesis.com whose transit script I have adapted, and altered to suit our Divine Service Mission work. Permission granted by Lisa Renee.

Whilst practicing the Eckasha Maharic Seal process on the next page, feel free to adapt Lisa Renee's process by imagining the Eckasha Seal. This will help you better adapt to the Maharic Seal which has a few additions to take into account. Enjoy! ☺
